Silent & Live Auctions, Raffles, Prizes & Surprises

All proceeds benefit Knight's Cabin and their efforts in hosting an Alberta cancer retreat in 2020!

your Keynote Speakers for the evening will be...

Dr. Corey Deacon MSc, DNM, RTN, BCN, BCAMP, BCHHP

Neuroscientist, Board-Certified Doctorate of Natural Health, Board Certified Alternative Medicine Practitioner and Functional Health Practitioner will discuss treating the person versus the disease as he unravels the whole web of underlying causes and creates individualized assessment plans to divert chronic disease to wellness. "the Role of Functional Science in Cancer Treatment".

Dr. Lisa Belanger

Founder of Knights Cabin, award winning researcher and author and CEO of ConsciousWorks will be presenting "Small Habits, Large Impact: the Role of Health Behaviours in Preventing Cancer and chronic disease, Success of Cancer Treatment and Cancer Survivorship". Be Pro-Active, choose wellness!

Bryan Mudryk

2-time cancer survivor and TSN play-by-play announcer for the Montreal Canadiens. Hear his story, his motivations, his passions, and his journey with pre & post cancer.

Dr. Scott Vanderleest

Bachelor of Science in Pharmacology with Distinction, Doctorate of Chiropractic with honours presents "What's in YOUR Tool Box?" Exploring the difference between treating symptoms of illness versus interventions that promote health. His conversation will challenge you to prioritize your toolbox, while providing you avenues to select the best options to foster your health and improve body functions.
